7/24/2024

Dear Build Partner,

We truly appreciate your interest in bidding for our 2024-25 build project located at 700 Elwood Ct, Nicollet, MN.

Habitat for Humanity of South Central Minnesota is fortunate to have many of our skilled contractors and subcontractors donate all or a portion of their time and/or materials, contributing to the building of Habitat homes in our service area.

The in-kind donations of labor and materials we've received have been a blessing to our work! We encourage you to consider how you may be able to help by listing your in-kind gifts of material and labor on the proposal bid form.

Your support would help to serve more families in our communities by building a decent & safe place to call home!

Thank you for your interest in partnering with us. Please feel free to contact us with any questions you may have.

Sincerely,

Sondra R. Herman

Sondra Herman
Executive Director

Our Excitement is Building!

Habitat for Humanity of South Central Minnesota is a non-profit Christian housing ministry dedicated to building simple, decent and affordable housing with and for families in need.

SUBMIT BID BY MAIL OR DROP OFF TO:

HABITAT FOR HUMANITY SCMN
1730 BASSETT DR
MANKATO, MN 56001

BID OPEN DATE

07/24/2024

BID CLOSE DATE & TIME

08/07/2024 4:30 pm

A secure drop-box is available located in our parking lot, near the office entrance or bring into the administration offices to the right of the ReStore entrance or hand deliver inside.

To whom it may concern:

Habitat for Humanity SCMN will be accepting bid proposals for the Habitat build posted above.

Bids received after the bid closing date and time listed above will not be accepted.

If you are interested in submitting a bid, please complete and submit the "Bid Division" section(s) that matches your trade and the "Bid Proposal Forms" at the end of this packet. Bids can be submitted via email or by mail or hand delivered to the address' above.

Along with bid documents, please include a W-9, Certificate of Insurance (COI), and a current copy of your trade license, if applicable. Please make sure to legibly fill out all your contact information, sign, and date. *All hand delivered bids are to be sealed with construction address on the outside and your company name on it.*

All bids received by the abovementioned deadline shall be reviewed by the Executive Director, Construction Manager and at least one BOD member along with one administrative personnel in a closed meeting the following workday after the deadline date.

Habitat for Humanity SCMN has the right to reject any and all bids at their discretion. If you have any questions or concerns, please contact Chad Schley, Construction Manager, for any clarification, prior to bidding.

If selected, you will receive a Bid Award Notice by email and letter. The Construction Manager, Chad Schley, will be contacting you to communicate your part of the timeline.

Thank you for your time and consideration of this Invitation to Bid.

Sincerely,

Chad Schley

INSTRUCTION TO BIDDERS

1. BIDS:

This is a construction management project. There is no general contractor. All contractors on this project will be considered prime contractors. Habitat for Humanity SCMN, **known as the owner**, will award separate contracts for all bid divisions involved in the project. The project shall be administered by the Habitat for Humanity SCNB Construction Manager. Bids will be received by the construction manager at the time and place designated in the Invitation to Bid on page 3.

2. PRE-BID MEETING:

Pre-bid meetings with the interested bidders will be held after documents have been sent out and before the bid deadline date as indicated in the Invitation to Bid on page 3. The purpose of the meeting is to familiarize bidders with the project. The construction manager shall be in attendance.

3. DOCUMENTS FOR BIDDING:

Complete sets of bidding documents may be examined or obtained on-line at <https://habitatscmn.org/get-involved/bid-packets/>. Bidding documents may also be picked up by calling ahead to the Habitat for Humanity SCMN administration office: (507)388-2081 located at 1730 Bassett Dr. Mankato, MN 56001.

In preparing Bids: Neither the owner nor construction manager assumes any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents.

Bid division descriptions – For clarification purposes the scope of the work involved in each bid division is defined in four categories: “EXCLUDED”, “INCLUDED”, “ALSO INCLUDED” and, “SCOPE OF WORK”.

Information provided under the heading “EXCLUDED” is for the purpose of noting a point of beginning and/or to eliminate fringe involvements that might inadvertently include in the scope of work. Information under this heading is not always required to define a bid division.

“INCLUDED” items are obvious and/or *conventional* work scope of the bid division.

Information under “ALSO INCLUDED” points out the *unconventional* and/or the less obvious items of work included in the bid divisions, as well as the fringe involvements that could, inadvertently be missed in evaluating the scope of work. Information under this heading is not always required to define a bid division.

4. QUALIFICATION OF BIDDERS:

The owner reserves the right to reject any bid if the evidence submitted by, or investigation of, such bidder fails to satisfy the owner that such bidder is properly qualified to carry out the obligations of the agreement to complete the work contemplated therein.

5. EXAMINATION OF BIDDING DOCUMENTS AND SITE:

Before submitting a bid, each bidder must (a) examine the bidding documents thoroughly, (b) visit

the site to familiarize themselves with local conditions that may in in manor effect cost, progress, or performance of the work, (c) familiarize themselves with Federal, State, and local laws, ordinances, rules, and regulations that may in any manner effect cost, progress, or performance of the work; and (d) study and carefully correlate bidder's observation with the bidding documents.

6. INTERPRETATION:

If any person contemplating submitting a bid is in doubt as to the true meaning of any part of the drawings, specifications or other bidding documents or finds discrepancies in, or omissions from the drawings or specifications, a written or e-mail request for an interpretation, clarification or correction thereof may be submitted to the construction manager. Any inquiry received at least (7) working days prior to the date fixed for opening of the bids will be given consideration. The person submitting the request will be responsible for its prompt delivery. Any interpretation, clarification or correction of the documents will be made only by addendum issued by the construction manager. A copy of the addendum will be available on-line at <https://habitatscmn.org/get-involved/bid-packets/> , and at the office of the construction manager.

7. APPROVAL OF SUBSTITUTIONS:

Requests for approval of substitutions must be made in writing or via e-mail to the construction manager and must be received seven (7) working days prior to the set deadline for receipt of the bids. The construction manager will issue a written addendum list of the products approved not later than three (3) working days prior to the bid date. A copy of the addendum will be available on-line at <https://habitatscmn.org/get-involved/bid-packets/>, and at the office of the construction manager. The contractor shall not furnish any substitute material, product, or equipment not so approved. If rejection of any such unapproved substitution causes a change in the supplier proposed, or removal of work in place, there shall be no increase in the contract sum allowed due to any increase in cost occasioned by such change or removal. Items receiving prior approval will be subject for fit and clearances of substituted items and for making any modification in his work or the work of other contractors necessitated by the using any substitution, without cost to the owner or other affected contractors.

8. ADDENDA:

Any addenda issued during the time of bidding or forming bidding documents loaned to the bidder for the preparation of this bid shall become part of the contract. Addenda will not be issued later than three (3) working days prior to the date set for receipt of bids. Receipt of each addendum shall be acknowledged on the bid form.

9. TAXES, PERMITS AND FEES:

Tax Exempt Status: HFHSCMN is a non-profit corporation and carries a tax-exempt status. As such they have been granted a Certificate of Exemption. The certificate will be issued to contract holders and **sales tax is not to be included in the proposal amount. The Minnesota Tax Number is 3460623.**

All building permits, blueprint review fees and State surcharges will be paid by the owner.

Fees for special local, State or Federal inspections relating to mechanical, electrical, conveying systems and similar installations shall be paid for by the contractor or sub-contractor to which the inspections apply.

10. BID FORMS

Each Division Bid shall be made on the appropriate Bid Division Pricing form. The bidder must also complete the Bid Proposal Form on page 34.

There is no limit to the number of bid divisions any one contractor can bid on. The bidders shall provide a separate bid for each bid division they are bidding for. No other method for combining the work of more than one bid division will be accepted.

All blank spaces for bid prices must be filled in, in ink or type written and bid form must be fully complete and executed when submitted (pencil bids or unreadable bids shall be cause for rejection). The bidder to note "N/A" in those blanks not applicable to their particular proposal. Only one copy of the bid is required. The award of all bid divisions will be based on the dollar value of the proposal, the qualifications of the contractor and the ability to perform.

11. IN KIND DONATIONS:

Habitat for Humanity South Central MN hopes you will consider making an in-kind tax-deductible donation as part of your bid. By making an in-kind donation of materials and/or labor, you make it possible for us to serve more families in the future. Habitat provides a "hand-up" not a hand-out to families in need of safe, decent, and affordable housing. Our homeowners work to build their home, and the homes of others and purchase their home with an affordable mortgage. These home payments help to build still more homes for other families in need. Your contribution is greatly appreciated but is not required. We invite you to visit habitatscmn.org for more information about our mission and how your work can change lives here in Southern Minnesota: or call (507) 388-2081 and we can answer any questions you may have.

12. BID MODIFICATIONS:

A Bid Form shall not contain any modifications to the work to be done. Alternate bids will not be considered unless specified on the bid. A conditional bid or qualified bid will not be accepted.

13. ALTERNATES:

The bidder shall quote all alternates as described if noted in the bidding documents. The owner reserves the right to reject any other alternatives. Any alternate materials, equipment or method used should be noted on the Pricing Form for the Bid Division you are bidding on.

14. BID SIGNING:

Each applicable bid division form and the proposal form shall be signed by the bidding contractor.

15. BID SUBMITTAL:

Each bid shall be submitted in one of three (3) ways:

- 1) **Email:** Email bid documents to Karen.allen@habitatscmn.org (Construction Administrative Coordinator) before the time and date indicated on page 3. The subject line should include the construction address and your company name.
- 2) **Hand delivery:** In a sealed envelope before the time and date indicated on page 3 to the Habitat for Humanity SCMN administration office located at 1730 Bassett Drive, Mankato,

MN. 56001. On the outside of the envelope write the construction address, the name of your company, and "Attn: Construction Manager".

- 3) **Drop box:** A secure drop-box is located in the parking lot, near the administrative entrance (Habitat for Humanity SCMN administration office located at 1730 Bassett Drive, Mankato, MN. 56001) in a sealed envelope before the time and date indicated on page 3. On the outside of the envelope write the construction address, the name of your company, and "Attn: Construction Manager".

Note: IT IS THE SOLE RESPONSIBILITY OF THE BIDDER TO SEE THAT THEIR BID IS RECEIVED BY THE TIME AND DATE OF THE DEADLINE INDICATED ON PAGE 3, "INVITATION TO BID".

16. BID WITHDRAWAL:

Any bidder may withdraw their bid after it has been deposited with the owner prior to the deadline time and date. Bid withdrawals may be emailed to karen.allen@habitatscmn.org or may be in written form delivered to the Habitat for Humanity SCMN administration offices at 1730 Bassett Dr. Mankato, MN.

17. BID OPENING:

Bids will be opened privately by HFHSCMN.

18. BIDS TO REMAIN OPEN:

All bids shall remain open for the number of days designated in the advertisement for bids and as indicated in the "Invitation to Bid" on page three (3) but the owner may, in sole discretion, release any bid prior to the time and date.

19. BID EVALUATION:

The owner reserves the right to waive any informalities, minor defects, or irregularity and to accept or reject any or all bids. **The owner reserves the right to award the contract in any building division between two bidders, one per home.** In evaluating bids, the owner shall consider the qualification of the bidders: whether bids comply with the prescribed requirements; and alternates, if requested in the bid forms. The owner may conduct such investigations as deemed necessary to assist in the evaluation of any bid and to establish the responsibility, qualification and final ability to the bidder, proposed subcontractors and other persons and organizations to do the work. The bidder acknowledges the right of the owner to accept any combination of bid divisions the owner desires. The bidder represents that they will accept the award, regardless of who the other bid division contractors may be. If a contract is to be awarded, it will be awarded to the bidder whose evaluation by the owner indicates that the award is in the best interest of the owner. Should there be any reason why a contractor cannot be awarded within the specified time for bids to remain open, the time may be extended by mutual agreement between the owner and the bidder.

20. NOTICE OF AWARD:

If a bid is accepted by the owner, *the bidder's proposal bid form will be signed by the owner and will constitute as the contract.*

A copy of the contract will be forwarded to the bidder. The bidder shall be required to execute the contract and provide all the project insurance coverage and necessary forms prior to commencement of work. In case of failure of the bidder to execute the contract or provide necessary project insurance coverage and necessary forms, the owner may consider the bidder in default; in which case the accompanying proposal shall become property of the owner and the contract shall be null and void.

21. FORM OF AGREEMENT:

The contract will be executed on the Bid Proposal Form found on page 34.

22. PROJECT INSURANCE:

The contractor shall be insured appropriately and maintain said insurance for the duration of this project in accordance with the General Conditions, page 32 of this packet. The contractor shall file an acceptable certificate of insurance (COI) and the insurance policy with the owner prior to commencement of work under the contract.

23. NOTICE TO PROCEED:

The notice to Proceed shall be issued within ten (10) days of execution of the agreement by the owner. Should there be reasons why the Notice to Proceed cannot be issued within such a period, the time may be extended by mutual agreement between the owner and the contractor.

Note: PROSPECTIVE BIDDERS ARE WELCOME TO MAKE AN APPOINTMENT TO PREVIEW PLANS AND SPECS AT HFHSCMN OFFICE IN MANKATO. Printing costs for the plans and specs are the sole responsibility of the bidder.

BID DIVISION: HFH – 001, BUILDING MATERIALS

EXCLUDED:

1. Concrete.
2. Roof and wall sheathing.
3. Soils and seeding.
4. Overhead doors.
5. Cabinets & counters.
6. Closet shelving.

INCLUDED:

Provide take-offs and pricing for all materials for framing exterior/interior, truss package and roofing materials along with specified materials in Scope of Work of this bid division to complete the building materials portion of the house.

ALSO INCLUDED:

- 1) Coordination with HFHSCMN for delivery and lay down area of material.
- 2) Roof materials need to be GAF:
 - GAF Weather Watch leak barrier.
 - GAF Tiger Pay underlayment.
 - GAF Pro-Start eave/rake starter strip shingles.
 - GAF Timberline HD, non-premium color, yet to be determined.
 - GAF Cobra Snow country ridge vent.
 - GAF Seal-a-Ridge, non-premium color, yet to be determined.

SCOPE OF WORK:

Specify quantities, sizes, and descriptions of products needed to include:

1. MAIN LEVEL AND BASEMENT INTERIOR & EXTERIOR WALLS
 - A. Plate material.
 - B. Studs.
 - C. House wrap.
2. ROOF TRUSS PACKAGE
 - A. Roof trusses.
3. BASEMENT MATERIALS
 - A. Including sill plates, bearing walls and window bucks.
4. FLOOR JOIST SYSTEM PACKAGE
 - A. Durastrand plywood.
 - B. Subfloor adhesive.
 - C. Floor truss system.
5. STAIRS
 - A. Stringer material.

- B. Risers.
 - C. Particleboard treads.
6. ROOFING MATERIALS
- A. Roof materials need to be GAF:
 - a. GAF Weather Watch leak barrier.
 - b. GAF Tiger Pay underlayment.
 - c. GAF Pro-Start eave/rake starter strip shingles.
 - d. GAF Timberline HD, non-premium color, yet to be determined.
 - e. GAF Cobra Snow country ridge vent.
 - f. GAF Seal-a-Ridge, non-premium color, yet to be determined.
 - B. Arc. Style Shingles.
 - C. Acc. Shingles.
 - D. Starter Shingles.
 - E. Weather guard.
 - F. Rolls 48" x 250' Roof Runner.
 - G. White Steel Dredge.
 - H. Omni Vent, Ridge Vent.
7. SOFFIT & SIDING
- A. PCS. "F" Trim, White.
 - B. PCS. 6" Steel Fascia, White.
 - C. PCS. Center vent Soffit, White.
 - D. Sq. D Mainstreet Siding (non-premium color yet to be determined).
 - E. Front gable to be shake siding in contrasting color (to be determined).
 - F. Steel Starter.
 - G. PCS. ¾" "J" Channel.
 - H. PCS. Under-Sill Trim.
 - I. Lite Mount Blocks.
 - J. Outlet Mount Blocks.

WINDOW & EXTERIOR DOORS

As Per Plan:

1. Front door W/Glass, drilled for deadbolt.
2. Garage door 20min, fire, drilled for deadbolt.
3. Service door, no deadbolt hole.
4. Windows as per plan.

WALL INSULATION & POLY

1. R-21 5 ½ x 23 x 93" Unfaced fiberglass Insulation.
2. Cardboard Versa-vent Chute.
3. 8' 4" x 100' 4mill Clear Poly.
4. 16' x 100' 4mill Clear Poly.
5. 28oz Sound & Acoustical Sealant.

Trim package to include:

1. Doors, windows & door-casings, white.

Baseboard Include:

1. Skirt board, stair rail and hardware, white.

This project is managed by HFHSCMN. All contractors on this project are considered prime contractors. Coordination between trades and volunteers is to be considered part of this work scope.

Any questions concerning the requirements or work of this proposal may be directed to the construction manager by email, chad.schley@habitatscmn.org or by calling him direct at (507) 720-1216.

PRICING FORM:

Our lump sum base bid for the Bid Division HFH – 001: Building Materials for 700 Elwood Ct. is:

_____ Dollars (\$_____)

***Note:** Attach cost breakdown of materials on a separate sheet and submit with bid documents.

Name of bidding contractor: _____

Signed by: _____ Date: _____

END OF BID DIVISION: HFH – 001, BUILDING MATERIALS

BID DIVISION: HFH – 002, SITEWORK (EXCAVATION)

EXCLUDED:

1. Cost of initial material testing (by owner)

INCLUDED:

Provide all labor, materials, equipment, and site supervision to complete the site work, excavation, backfilling and final grade as shown and specified, including but not limited to the following technical specification in “Scope of Work”.

ALSO INCLUDED:

1. Verify existing site conditions.
2. Gravel, rock & sand as required and final grading under slabs, sidewalks, and aprons.
3. Backfilling and compaction (including basement excavation and utility installation).
4. Erosion control and gravel for construction entrance, sweeping of the street as needed and/or required.
5. Asphalt patching where required.
6. Locate all existing utilities.
7. All site demolition.
8. Plumbing related utilities to builder perimeter.
9. Coordination with other trades.

SCOPE OF WORK:

Work under this Section shall include, but is not limited to:

1. Coordinate water, sewer pipe placement and sump discharge plan with plumbing contractor.
2. Site clearing, topsoil stripping, stockpiling of topsoil on the site, excavation, installation of fill and backfill, the redistribution of topsoil and other satisfactory soils for filling and finish grading as required and, the compaction of soils to accommodate work to be performed by others in connection with this project.
3. Homes with an attached garage will be constructed on a footing/foundation with a footprint as per blueprint. Coordinate excavation to accommodate concrete and related work to be provided by others.
4. Excavation shall be provided as required for placement of water lines from City stub to enter house.
5. The contractor shall include all materials and labor as required to make a sewer connection.
6. The contractor shall furnish and install all erosion control materials and perform needed erosion control measures as required by rule and best practices.

7. Earthwork shall include the cost of removing excess soil and waste material including unsatisfactory soil, trash, debris and foliage and legally disposing of it off the owner's property.
8. The contractor shall furnish and install at least 6" deep of base material on driveway, including parking area for vehicles, and turnarounds if needed as well as base material for sidewalks.
9. The contractor shall supply a 6" deep layer of class 5 under-slab drainage, allowing for 2" of foam insulation.
10. Note the requirement for 4" drainage layer under all footings.

This project is managed by HFHSCMN. All contractors on this project are considered prime contractors. Coordination between trades and volunteers is to be considered part of this work scope.

Any questions concerning the requirements or work of this proposal may be directed to the construction manager by email, chad.schley@habitatscmn.org or by calling him direct at (507) 720-1216.

PRICING FORM:

Our lump sum base bid for the work in Bid Division HFH – 002 for 700 Elwood Ct. is:

_____ Dollars (\$_____)

Name of bidding contractor: _____

If awarded contract, earliest date to begin excavation: _____

Signed by: _____ Date: _____

END OF BID DIVISION: HFH – 002, SITEWORK (EXCAVATION)

BID DIVISION: HFH – 003, CONCRETE

EXCLUDED:

1. Dumpster.
2. Class V gravel and/or sand cushion.
3. Rough grading.
4. Right Of Way permit.
5. Concrete (HFHSCMN to be billed direct from supplier)

INCLUDED:

Provide all labor, materials (excluding concrete), equipment, and site supervision to complete the concrete footings, slabs, stoop, sidewalks and as shown and specified, including but not limited to the following specifications in "SCOPE OF WORK".

ALSO INCLUDED:

1. Calculate quantities of concrete materials and mixes per specifications, communicate and coordinate orders and dates to supplier and construction manager.
2. Furnish and install vapor barrier under entire house slab. The contractor will be responsible for installing all insulating foam required for slab and foundation. HFHSCMN shall furnish all foam insulation material required for this work.
3. Forming and construction of footing and slabs as per home and garage blueprint.
4. Frost footings and block walls in garage.
5. Form and pour front steps down to the sidewalk.
6. All concrete reinforcement as required by code.
7. Minor final grade work required prior to slab/footing pours.
8. Placement of all required sleeves and/or block outs in CIP concrete.
9. Footing and half-high block for basement bearing wall.
10. Curb cut and replacement apron from end of driveway to the street if applicable.
11. Protection of existing conditions.
12. Protection of other trade work.

SCOPE OF WORK:

REQUIREMENTS

1. Comply with ASTM C 94; ACI 301, "Specifications for Structural Concrete for Buildings"; ACI 318, "Building Code Requirements for Structural Concrete", and CRSI's "Manual of Standard Practice". (Switched from bottom of this list to the top)
2. This section includes installation of cast-in-place concrete, including reinforcement, concrete materials, concrete materials and mixes, placement procedures and finishes. This work includes construction of footings and foundations as detailed, slab on grade to receive

housing construction, vapor retarders, exterior concrete pavement, and cast in place anchors as required by code.

3. Drainage courses for slabs-on-grade and sub-base earthwork for walks and pavements shall be provided by others. Coordinate the work of this section with earthwork and plumbing contractors.
4. Installation of under slab vapor barrier and placement of rigid insulation (rigid insulation to be supplied by HFHSCMN) required footing/foundation wall construction to include final pad prep following installation of plumbing and other disturbances of compacted pad material.
5. Proper grading of floor in the utility room to accommodate floor drain.
6. Install grounding rebar in utility room to permit electrician to make grounding connection to rebar in slab.

PRODUCTS

1. MATERIALS:
 - a. Deformed Reinforcing Bars: ASTM A 615, Grade 60 (ASTM A 615M, Grade 420).
 - b. Portland Cement: ASTM C 150, Type 1.
 - c. Fly Ash: ASTM C 618, Type F (Optional).
 - d. Aggregates: ASTM C 33, Class 4S.
 - e. Air-Entraining Admixture: ASTM C 260.
 - f. Vapor Retarder: Polyethylene sheet, ASTM D 4397, not less than 10 mils thick.
2. MIXES - Proportion normal-weight concrete mixes to provide the following properties:
 - a. Compressive strength: 4000 psi at 28 days.
 - b. Slump limit: 4 inches at point of placement.
 - c. Water-cement ratio: 0.55 maximum at point of placement.
 - d. Cementitious materials: limit percentage, by weight, of cementitious materials other than Portland cement in concrete as follows:
 - Fly ash: 30 percent (optional).
 - e. Total air content: (Use air-entraining admixture in exterior exposed concrete, unless otherwise indicated) 6.5% +/- 1% for exterior exposed concrete: 2% other concrete.
 - f. No calcium chloride shall be used in the mix.

CONCRETING

1. Construct form work and maintain tolerances and surface irregularities within ACI 117 limits of Class A for concrete exposed to view and Class C for other concrete surfaces.
2. Place vapor retarder on prepared drainage course done by others, with joints lapped 6 inches and sealed.
3. Accurate position, support and secure slab rebar reinforcement, which shall be #3 on 16" centers or #4 on 24" centers. Reinforcement in thickened edges as noted on prints.
4. Install construction, isolation, and control joints.
5. Place concrete in a continuous operation and consolidate using mechanical vibrating equipment.

6. Protect concrete from physical damage or reduce strength due to weather extremes during mixing, placing, and curing.
7. Formed Surface Finish: Smooth-formed finish for concrete exposed to view; Rough-formed finish elsewhere.
8. Slab Finishes:
 - a. Dense steel troweled finish for floor surfaces and floors to receive floor coverings, paint, or other thin film-finish.
 - b. Non-slip broom-finish to exterior concrete platforms, steps, and ramps.
9. Cure formed surfaces by moist curing or curing/sealing compound.
10. Begin curing unformed concrete after finishing.
11. The owner may engage a testing agency to perform tests and to submit test reports.
12. Protect concrete from damage. Repair surface defects in concrete.

This project is managed by HFHSCMN. All contractors on this project are considered to be prime contractors. Coordination between trades and volunteers is to be considered part of this work scope.

Any questions concerning the requirements or work of this proposal may be directed to the construction manager by email, chad.schley@habitatscmn.org or by calling him direct at (507) 720-1216.

GENERAL CONDITIONS

1. All work shall be performed, and all deliveries made in coordination with other contractors, HFHSCMN site supervisors, construction manager and according to a final build schedule to be made available from HFHSCMN prior to start of construction.
2. HFHSCMN will obtain applicable City, township or county **building** permit(s). All other permits, fees and expenses incidental to items and work listed above are the responsibility of the bidder and shall be included under the contract amount.
3. All scrap, containers, excess materials, and miscellaneous debris resulting from work under this contract shall be removed from the premises or placed in the appropriate on-site dumpster to be furnished by HFHSCMN. Recyclable materials, i.e., cardboard, steel, aluminum and beverage containers shall not be placed in the construction dumpster.
4. All product instruction manuals and warranty information shall be retained and left at the home site for the future homeowner.
5. Individuals working as independent contractors must hold an independent contractor exemption certificate (ICEC) and must furnish evidence of same at time this proposal is submitted.
6. Prior to awarding contracts, selected contractor shall submit certificate of insurance (COI) for general liability and workers compensation (in the event a single employee/owner subcontractor does not carry worker compensation insurance an additional form is required). Listing Habitat for Humanity of South Central MN as certificate holder.
7. CA current W-9 form shall be included with form of proposal.
8. Tax exempt status: The HFHSCMN is a non-profit corporation and carries a tax-exempt status. As such they have been granted a certificate of exemption. The certificate will be issued to contract holders and sales tax is not to be included in the proposal amount. The Minnesota tax exempt number is **3460623**.
9. HFHSCMN requires lien waivers to be signed and sent back when payment for invoices is received by the contractor.
10. Invoices shall be paid in a timely manner.

Any questions concerning the requirements or work of this proposal may be directed to the construction manager by email, chad.schley@habitatscmn.org or by calling him direct at (507) 720-1216.

END OF GENERAL CONDITIONS

SPECIAL CONDITIONS SCHEDULE

1. PART ONE – GENERAL

A. SCOPE:

- a) Conditions of the Contract, and General Requirements, will govern work under this Section.
- b) The following Special Conditions modify, define, change, delete from, add to and take precedence over certain provisions of General Conditions of the Contract for Construction, and Supplementary General Conditions.

B. TIME OF COMPLETION:

- a) The contract shall be substantially completed in the timeframe determined by the construction manager.
- b) See the Milestone Schedule in PART TWO. Actual Schedule will be determined by the construction manager.

2. PART TWO – MILESTONE SCHEDULE

The below Milestone Schedule indicates completion dates for significant activities during the construction period. This schedule is supplemented by the Build Schedule which overviews all the activities inherent in the home construction. This information is subject to change as conditions require.

BID PROPOSAL FORM for 700 Elwood Ct., Nicollet, MN

SUBMIT PROPOSAL TO:

Habitat for Humanity SCMN
1730 Bassett Drive
Mankato, MN 56001

FOR: Construction of Habitat for Humanity home at 700 Elwood Ct., Nicollet, MN

SUBMITTED BY: _____

FOR BID DIVISION(S): _____

CONTRACT DOCUMENTS:

We have carefully read and fully understand the Contract Documents, including the Instruction to Bidders, General Requirements, Proposal Section, Technical Specifications, and floor plans covering the work required in our proposal and the specifications.

ADDENDA:

We acknowledge the receipt of Addenda(s) _____, _____, and _____ Dated _____

CONSTRUCTION MANAGEMENT:

We understand the construction managers' function as described and referred to throughout the Contract Documents. We realize that each bid division contractor is in fact a PRIME CONTRACTOR and not a sub-contractor working through a General Contractor.

SCHEDULE:

We have reviewed the Milestone Schedule and hereby endorse the milestone dates with regard to work on the bid divisions we have bid on.

EXCEPTIONS AND/OR SUBSTITUTIONS:

We have submitted our proposal complete as specified and shown on the drawings without exceptions of substitutions.

FORM OF AGREEMENT for 700 Elwood Ct., Nicollet, MN

This proposal and attached Division Pricing Form, if accepted by HFHSCMN within thirty (30) days of the date designated as the Bid Deadline, will be the basis for a contract directly with the Owner. The undersigned hereby agrees to accept a contract for work covered by the proposal, under the terms and conditions of the contract of the contract documents.

We acknowledge the fact that the Owner has the right to accept or reject any or all proposals with or without cause or reason.
